## Enhance Your Field Trip with DRAMATIC CONNECTIONS:

Don't miss the chance to bring the magic of theatre directly into your classroom. Our Dramatic Connections workshop is the perfect post-show experience for each Student Matinee title and spots fill up fast!

A member of the cast, creative team, and a professional teaching artist will visit your class to dive deeper into the play. We'll explore key themes, introduce theatre vocabulary, unpack dramatic conflict, and give students exclusive behind-the-scenes insight into the creative and technical process. Plus, your students will get to ask their burning questions directly to the people who brought the show to life!

Availability is limited and workshops are scheduled on a first-come, first-served basis. Book now to give your students the full, immersive B Street Theatre experience!
