

## Health & Safety:

In accordance with current (*May 13, 2021*) CA/CDC guidelines, the following health & safety protocols will be in place:

### Check-In

- Each participant will have their temperature checked when they arrive.
- Masks will be required inside the building at all times. We will have a supply of disposable masks available at check-in.
- Hand sanitizing stations will be provided.

### In the Classrooms

- All teaching staff members have been fully vaccinated.
- Teachers will enforce social distancing (*3' indoors*) and proper use of PPE.
- Staff will have sanitizing wipes to clean as needed.
- Windows will remain open in the gallery spaces whenever possible.
- Air purifiers are installed in all classroom spaces.

### After Class

- We use an electrostatic sprayer to sanitize all spaces. (*classroom tables & chairs, doors/handles, restrooms, check-in area, etc.*)

*We will continue to monitor new information from the state of California and Sacramento County and update our guidelines accordingly.*

## PROTOCOL IF SOMEONE GETS SICK

**STAY HOME:** Foremost, participants and/or staff should NOT come to class AND should notify the B Street staff if any of the following occurs:

- A participant and/or staff member becomes sick with Covid-19 symptoms
- A participant and/or staff member tests positive for Covid-19.
- A participant and/or staff member has been exposed to someone with symptoms or a confirmed or suspected case.

Should a participant display any symptoms of Covid-19 (*such as fever, cough, or shortness of breath*), they will be immediately moved to our designated Covid-19 isolation area until they can safely be picked up by a parent.

**CLOSE CONTACT:** Close contact is defined as anyone who was within 6 feet of a person with Covid-19 for more than 15 minutes.

**PROPER NOTIFICATIONS:** In accordance with state and local laws and regulations, administrators will immediately notify local health officials, staff, and families of any case of COVID-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA).

**SELF-ISOLATION AND QUARANTINE:** Those with symptoms need to self-isolate for 10 days. Those who have been exposed need to self-quarantine for 14 days even if they don't feel symptoms or their test came back as negative.

**WHILE AT HOME:** When necessary we will provide online instruction for participants isolating at home via live Zoom.
