In modern-day London, an emotionally exhausted Joan Watson moves to the U.K. to restart her life. However, she has little money and no place to live.

Enter Ms. Sherlock Holmes, an erratic but brilliant private investigator who is absolutely bored and looking for an intriguing case to take on. When the two team up, they become one of the most famous investigative teams in London. What danger awaits them?

MS. HOLMES AND MS. WATSON: APT 2B is a hilarious update on the classic Arthur Conan Doyle tales, with a gender-bending twist.

*"I could not say enough nice things about Huft. They recently upgraded our electrical panel and main bathroom and I couldn't be any happier about the quality work they provided. Everyone was so nice starting with Drew and Mike who came out to help us design these upgrades. They were knowledgeable and not pushy. Next came their install crews who worked in our home with care and cleanliness. Ray, Peter, Luis, Henry and Leo did AMAZING work. Thank you to Octavio (Plumbing Manager) and Carlos (Electrical Manager) who helped tremendously through this whole process. I will definitely be recommending them to all our friends and family."*

**- Evelyn, December 2022**

*"I called Huft to unclog my kitchen sink. They came out in the next hour and unclogged my sink. The worker was very professional, courteous, and polite. I was very pleased with the quick work. He gave me a very reasonable price. If you have plumbing needs, call Huft, they will do a great job for a great price."*
